

Accessibility Statement

Last updated: August 25, 2026

Our Commitment

DFW Property Pros Group is committed to providing an accessible and welcoming online experience for all visitors, including people with disabilities. We are continually working to improve the usability and accessibility of our website and digital materials.

Accessibility Efforts

- Using clear headings, readable text, and consistent navigation.
- Supporting keyboard navigation and meaningful link labels where practical.
- Adding alternative text to informative images when appropriate.
- Reviewing color contrast, form labels, and mobile usability.
- Working toward alignment with the Web Content Accessibility Guidelines (WCAG) 2.2, Level AA.

Need Assistance?

If you have difficulty accessing any part of our website, need information in an alternative format, or would like help using a feature, please contact us. We will make reasonable efforts to provide the information or service through an accessible method.

Feedback and Third-Party Content

We welcome feedback about accessibility and use it to guide improvements. Some third-party tools, links, or content may be outside our direct control, but we will work with users and providers to identify practical solutions when an accessibility issue is reported.

This statement describes an ongoing accessibility effort and is not a certification that every page or third-party service fully conforms to a particular standard.
